V. **ADMINISTRATION GUIDELINES**

A. Course Setup

Course setup for all Section events will be the responsibility of the Section Tournament Director. Setup will take into account format, difficulty of the course, conditions and pace of play considerations.

Tees:

The PGA of America's guideline for Men and Women PGA members and apprentices competing for the same purse is that Women will play up to a maximum of 85% of the men's yardage for all Section events. This will allow courses to be set up for Women in the 78-85% range of the Men's yardage, which should allow Women PGA members and apprentices to be able to fairly compete with Men for the same purses from different tees.

A single set of tees will be set for Men in all Section events, with exception below. The Men's tees will be a composite setup with a minimal yardage of 6,200 yards. Typical yardage setup for Men tees will be 6,400 – 6,700 yards with some Championship extending beyond 6,700 yards.

A set of tees will be available to Seniors (Age 50 & above) at the Senior – Junior Championship only. The Senior Tees will be set at 95% of the Men's (49 & Under) yardage keeping the playing characteristic of each hole as similar as possible.

At Meeting Golf events (Summer Meeting & Annual Meeting), Seniors Age 70 or older will play from the same set of tees as are set for the Women.

B. Player of the Year Race

The Player of the Year recipient for each respective division (Section, Chapter, Women's, Senior's, APA) must be in good standing at the conclusion of each point race. To earn Player of Year honors within the Section, the player MUST be a member. No apprentice can win the Section Player of the Year honors, though points will be awarded to Apprentices in Section events. For year end, a Player of the Year bonus to be paid out to top participants in each division; must be in good standing.

C. Tournament Formats

Stroke Play: All individual stroke play championships shall have no more than 84 players in a single wave. Play will always be conducted with players in groups of three and only in extreme circumstances may this format be altered and only with the approval of the Tournament Committee Chairman.

Match Play: Seeding should be either based off of qualifying, previous year Player of the Year standing, or a combination of both (i.e. seeded by qualifying with any ties broken by previous year PoY standings).

Senior-Junior: A Senior (50+) playing with a Junior (under 50) in a Four-Ball stroke play competition. It is recommended that there be a Junior Tee, Senior Tee at 95% of the yardage and Women's tee at 85% of the yardage.
