

SOUTHERN CALIFORNIA PGA FOUNDATION SCHOLARSHIP APPLICATION

ELIGIBILITY

Applicant must be resident of Southern California and have completed (or plan to complete) high school by September 1 of the current year, and enroll as a full-time student at an accredited college or university. A full-time student is defined as one who is taking 12 or more hours in a course of study leading to a traditional Associate (2 year) or Baccalaureate (4 year) degree at an accredited college or university located in the United States.

SELECTION OF WINNERS

The SCPGA Scholarship Selection Committee will review class ranking, grade point average, either ACT or SAT test scores, extracurricular activities, and financial need in determining scholarship recipients. Extracurricular activities will help the Committee further evaluate the candidate's interest and abilities. Contributions to the community may be demonstrated by involvement in local clubs, organizations, or associations. These activities should be documented, and attested, by type and year involved. Any distinguished honors or awards should be noted on the application. Any questions will be settled by the Board of Directors of the SCPGA Foundation.

Scholarship recipients will be determined by July 12th, 2019 and will be notified by the SCPGA Foundation Staff. Unsuccessful applicants will be notified and if eligible, will be encouraged to apply the following year. Recipients' names will be placed on the SCPGA website (www.scpgajrtour.com) after the notification date. All scholarship awards will be issued directly to the college/university of the recipient's choice.
