THE RIVIERA COUNTRY CLUB | PACIFIC PALISADES, CA

THE RIVIERA COUNTRY CLUB

The Riviera Country Club was founded in 1926 by the members of the Los Angeles Athletic Club. Their vision was to build the premier golf course and outdoor facility in Southern California away from the traffic and congestion of Los Angeles. The serene escape they imagined became a reality in 1927 when the golf course opened to critical acclaim. The main clubhouse, built in a Spanish revival style, followed in 1928.

The club called upon George C. Thomas to design a course that would challenge the world's best. After 18 months and 15 iterations of his design, his masterpiece and crowning achievement opened for play. Thomas' design has withstood the test of time. The Riviera Country Club is consistently ranked a top 50 golf course in the world and in the top 25 courses in the United States. True to its founder's intentions, it welcomes the world's greatest golfers each year for the Genesis Open and has played host to major events such as the US Open, PGA Championship, US Amateur, US Senior Open, NCAA Championships and will be the golf site of the upcoming 2028 Olympic games in Los Angeles.

"I SHALL ALWAYS REMEMBER RIVIERA NOT ONLY FOR THE QUALITY OF THE COURSE, BUT FOR THE WHOLE CLUB AND THE MEMBERSHIP." - BEN HOGAN

FALL CLASSIC | EVENT OVERVIEW

The Fall Classic benefitting the Southern California PGA Foundation's ClubsForeYouth® & College Scholarship program. Since inception, the ClubsForeYouth® program has impacted 700 student-athletes and 95 high schools throughout our region. The SCPGA Foundation has awarded over \$500,000 in college scholarships to exemplary student-athletes since 2017.

The Fall Classic will take place at the beautiful Riviera Country Club in Pacific Palisades, California, on Monday, November 15th, 2021. This fundraiser will bring together four amateurs from some of the top clubs in Southern California to achieve one goal - support and sustain the growth of youth golf in California.

One Team - supporting the dreams of young people throughout Southern California.

FALL CLASSIC | SUPPORT

SCPGA FOUNDATION

The Southern California PGA Foundation's mission is to provide all those who might benefit, especially youth, with opportunities to acquire sustainable life skills and values obtained through the game of golf.

In 2017, The Southern California PGA Foundation created a program to assist high school girls in need of adequate golf equipment. Through our research, we found that a great number of high school girl golfers were using inadequate equipment - where in most cases, they had to return the equipment at the conclusion of the season. Since its inception, ClubsForeYouth® has donated 700 sets of brand new golf equipment to student-athletes "in-need" of proper resources to succeed on and off the golf course. These donations have positively impacted 100 high schools throughout the Southern California PGA Section.

WHY YOU SHOULD SUPPORT - TESTIMONIALS

"As a member of the SCPGA, I have considered myself very lucky to have opportunities such as the ones I have been given in that past year or so. Not many people have the means to follow their dreams and achieve the greatness they desire, and with SCPGA Foundation I've been given so many chances to become successful through my own hard work."

Being a golfer is not easy, and neither is it affordable. I have been playing for almost 3 years, and it has been a struggle at times. But with the SCPGA Foundation and their aid, I have been able to play many tournaments, and as each tournament is one step closer to achieving my dreams in golf, I am so appreciative of their help. I realize how lucky I am, and I don't plan on taking it for granted. SCPGA Foundation's help has given me another reason to work my hardest and practice my best."

SCPGA JUNIOR TOUR MEMBER

"Our girls had been working with a few donated / recycled clubs, but didn't have a complete set of wedges, irons or woods. One of our girls, London, is left-handed and finding clubs that she could use was very difficult. The golf lessons made an immediate difference in the skill level of London and Kamea, plus provided the needed basic golf swing foundation. Robert (Rob) Douglas is an excellent and patient golf instructor. His use of video made it easier for the girls to understand and learn the different swing concepts- chipping, pitching and full. After the end of the 4-lessons, both girls improved dramatically, especially Kamea, who had been reluctant to use her driver. Now Kamea is hitting long 'bombs' off the tee."
