APA HOLE IN ONE POOL

The Hole in One Pool collects $1 per participant at each APA event and cumulates throughout the season. The pool is awarded to the first player who records a HIO at a sanctioned APA event (does not include North v South matches).

The recipient must be an Associate of the Section and in good standing. The Hole-In-One pool is ongoing until a HIO is recorded and not capped at any amount and can rollover for multiple seasons. If there are two HIO during a single day event, those individuals will split the pool. In a multi-day event, if the HIO does not occur in the same round, the first to get the HIO will receive the payout and the pool will officially be restarted.
